

Lead Photographer

We're Ready to Grow and you can help! C.Mae Design LLC is creating a new, ground-floor opportunity for a confident person with a passion for excellence in business and photography.

How would you like to join a small, enthusiastic team that works to provide a higher level of customer service and photography? Where your passion and persistence will be appreciated and well rewarded? Where there is plenty of opportunity for personal and career growth and advancement?

C.Mae Design is ready to grow, and we need your help to fulfill our vision to become a lead photographer in Wisconsin. We're looking for a special person who loves to help people, has well-developed communication skills, a warm and friendly telephone manner, and a real ability to relate to others.

Your role will involve photographing engagement sessions and weddings, emailing clients, and providing an exceptional level of customer care for our clients. You also support our team through office administration, and help us create the systems we need to grow.

People describe you as friendly, trustworthy, optimistic, conscientious, and enthusiastic – with a healthy attitude for fun and a quick smile! You see yourself as a self-starter, mature and persistent, with a methodical approach to work.

A team player, you're goal-orientated, love variety, work effectively with little oversight, and enjoy an invigorating, fast-pace environment.

Your leadership skills are apparent as you direct and drive our team through proactive problem solving and plenty of thinking "outside the box".

You are excited to take advantage of this opportunity to learn and grow in ways you never anticipated. You have an artistic eye, and have some experience working in the photography industry - you may have even owned your own photography business!

You are skilled in office administration and photography procedures; you're proficient with Windows and Microsoft Office, including Word, Excel, PowerPoint and Outlook. You're experience with Nikon or Cannon Cameras and shooting in manual mode.

This is a part-time position. Our office is nestled in the heart of historic downtown Burlington, WI. Our complete compensation package reflects our healthy appreciation for balance in life, and offers significant incentives for the results you achieve - as well as those we achieve as a team.

**IF this sounds like YOU –
