### Assistant Store Manager - Full Time

**Boats | Motorcycles | ATVs | Golf Carts | Garage Door Openers - We've got your battery!**

**Batteries Plus** is looking for a customer-focused **Assistant Store Manager** in Burlington, WI to assist the Store Manager and Store Associates in achieving sales objectives and maintaining efficient store operations. If you are seeking a new career opportunity, we offer a terrific start with a wide variety of experiences, the chance to grow knowledge and skills, and the opportunity to advance your career.

#### Duties Include:

- Work with the Store Manager to develop and implement the Store's business plan, and all company programs and initiatives, as well as evaluate performance compared to plan and benchmarks.
- Implement operational activities to control costs while driving the business.
- Lead and direct store operations activities including purchasing, receiving, inventory management, customer order management, sales floor recovery, out-of-stock review and store organization and cleanliness.
- Support all commercial and retail sales strategies and initiatives.
- Assist with selection and training of Store Associates.

#### Assistant Store Manager Qualifications:

- Minimum H.S. diploma/equivalent and at least one year retail experience, or equivalent combination of education and experience
- Ability to lift 50 + lbs.
- Ability to communicate directions using both oral and written means
- Demonstrated ability to work with minimal direction as a resourceful, independent problem solver
- Availability to work a flexible schedule
- Valid driver's license and clean driving record required

#### We offer our Assistant Store Managers the following benefits:

- \$13 - \$16hr
- Paid Technical Training
- \$50 Stipend for Steel Toe Boots
- Uniform Stipend
- \$500 New Hire Sign-on Bonus
